

## INDIRAPURAM PUBLIC SCHOOL, INDIRAPURAM

Ref. No. IPS/CIR/2024-25/038

Dated: 01-July-2024

Dear Parents/Guardians,

**Subject: IMPORTANT ANNOUNCEMENT – School Integrated Program for grades 8 – 10 with Physics Wallah (PW).**

We are very excited to share that in collaboration with a prestigious organization **Physics Wallah** renowned for its excellence in competitive exam preparation, we are launching a comprehensive **School Integrated Program (SIP)** tailored for students in **grades 8 to 10**.

This program aims to equip our students with essential skills and knowledge required for various competitive exams in the future. The organization conducting this program has a proven track record of helping students excel in competitive exams through structured coaching and comprehensive study materials.

### Highlights of School Integrated Program (SIP)—

- **Dedicated classroom**—Students will have **dedicated classrooms and time-table** for five days of the week followed by a few doubt-clearing sessions on Saturdays. A separate section will be created for the students under SIP for each grade.
- **Regular school timings**—SIP will be conducted in **regular school timings** allowing students to engage in diverse after-school activities without additional scheduling conflicts or stress.
- **Early start for future pursuit**—Starting early in **classes 8, 9 and 10** will give students a competitive edge and boost their confidence.
- **Structured learning**—Specialized and experienced faculty from Physics Wallah will provide systematic guidance for subjects focussing on competitive examinations. The PW faculty will prepare students in the SIP program to ensure that the students are fully prepared for the school curriculum, school-based examinations, and board-conducted examinations, etc.
- **Solid foundation in the core subjects**—Under SIP **five core subjects that are Physics, Chemistry, Biology, Mathematics and Social Science** will be taken by top-notch faculty of Physics Wallah (PW) in separate periods ensuring solid foundation for core subjects. While the classes of other subjects will be taken by school's faculty members.
- **Study Material**—The modules of SIP are characterized by their effectiveness in enhancing comprehension, learning & skill development aiming for success in academic pursuits.
- **Recorded lectures and notes for every class**—To enhance the learning experience **recorded lectures and class notes** will be available for every class, providing students with convenient access to valuable resources anytime, anywhere.
- **Doubt support and revision classes**—To address any doubts or questions students may have regarding their coursework, dedicated offline time for revisiting key concepts, reinforcing understanding, and preparing for exams will be given.
- **Assessments**—Along with school assessment SIP will have regular tests to assess the progress and performance of the students through subjective tests, objective tests and All India Test Series (AITS)
- **NTSE, RMO and other reputed Olympiads**—SIP will provide additional support for **State and national-level Olympiads and NTSE** through guidance and mock exams with no additional cost.
- **Sessions and Workshops**—SIP will offer sessions and workshops for targeted guidance, fostering a collaborative environment to enhance knowledge and refine practical skills. These also help in embarking on the journey of career choice.
- **Rewards and recognition for good performance**—To foster a positive learning environment, SIP will recognize high-achieving students for their accomplishments. This not only boosts their confidence but also motivates their peers.

- **PTM**—Regular PTMs will be conducted with Physics Wallah faculty members in school.
- **Orientation**—For the parents and students of grades 8 to 10, an orientation program on the School Integrated Program (SIP) will also be held by the field experts as per the schedule given below:

<b>Parents &amp; Students of grades 8, 9, 10</b>	July 03, 2024	ONLINE on MS TEAMS	<a href="https://bit.ly/IPS-PW-Reg">https://bit.ly/IPS-PW-Reg</a>	<a href="https://bit.ly/IPS-PW">https://bit.ly/IPS-PW</a>
	8:00 pm – 9:00 pm (late evening timing has been kept for parents' convenience)		<b>OR</b>	<b>OR</b>
			 <i>Scan me</i>	 <i>Scan me</i>

Please note that the face-to-face session on July 06, 2024, will be organized in the school premises exclusively for online session's attendees interested in learning more about the program. The link for the registration will be shared during the online session and/or after the online session via circular.

- **Demo classes**—Students will be given the **demo class at school on July 04 — 05, 2024** by the faculty members of Physics Wallah (PW) only to the interested students to make them familiar with the pedagogy of SIP.
- **Competitive fees structure**—Parents need to pay the fee for SIP along with their school fees. The fee structure exclusively for SIP is given below which will reflect under the “optional fee” in the school fee for the SIP students. The parents will have the option to pay the total fee of this academic year in the 2<sup>nd</sup> and 3<sup>rd</sup> quarter.

Grades	Total Yearly fee (including GST)	Mode
<b>8, 9 &amp; 10</b>	₹40000/-	To be bifurcated in the school's fee under <b>optional</b> head and be paid till 3 <sup>rd</sup> quarter, other than the initial payment of ₹8000/-
<b>Please note that ₹8000/- needs to be paid between (July 06 – 09, 2024) after the face-to-face orientation program which will be adjusted to ₹40000/-</b>		

**This program operates on a first-come, first-served basis due to limited seats and batches.**

Incorporating the School Integrated Program (SIP), which is well aligned with the school's educational goals and values, will enrich students' educational journey. This program will also empower them with the skills and insights needed to thrive in their future endeavors.

School is seeking your cooperation in achieving holistic success for all its students through various initiatives.
